Is homeopathy effective against cancer? How does it compare with conventional therapies? Can it treat human cancers such as glioblastoma multiforme, that are currently not amenable to conventional therapies? Join us for a day of learning from the esteemed father/son duo of Drs. Prashanta and Pratip Banerji whose results impressed the National Cancer Institute, Best Case Series Program.

For more information on their work visit:

<http://www.pbhrfindia.org>
