‘What homeopathy can do for me’ series is for any individual interested in exchanging information on how, if at all, homeopathy can help them or their friends and family to cope, palliate and heal using homeopathic medicines. Examples from past disease cases will be shown along with the homeopathic medicines that has been found to be most effective in such diseases. The discussion will end with 30-60 minutes of Questions and Answers where personal questions will be answered.

ABOUT THE INSTRUCTOR:

Arup is a practicing homeopath since 1992 and is registered with College of Homeopaths, ON and NASH. As a mentor, preceptor and educator, Arup conducts regular year-long classes, seminars for students, lay persons and advanced practitioners.
