SEMINAR DESCRIPTION:

Homeopathy has piqued lot of interest and eyebrows despite negative coverage on many sites! Can it really be of help to you or your family and friends for all the chronic illnesses that ravage mankind?! 'What homeopathy can do for me' series is for any lay person who is interested in exchanging information on how, if at all, homeopathy can help them or their friends and family to cope, palliate and possibly go into remission using homeopathic medicines. Examples from past disease cases will be shown along with the homeopathic medicines that has been found to be most effective in such diseases. The discussion will end with 30-60 minutes of Questions and Answers where personal questions will be answered.
