A Primer in Homeopathic Remedies for Acute Conditions

Learn the secrets of homeopathic prescribing of various household conditions such as cough and colds, diarrhea, flu, aches, and pains, injuries, allergies, skin rash and other acute conditions. 24 hours of in-class training on the art and science of prescribing homeopathic remedies including the principles of dosage, potency and repetition. Learn the commonly used remedies in detail for multifaceted use in various conditions. This course is offered only once a year and is a prelude to the year-long in-depth course in homeopathy offered in the fall of 2019

ABOUT THE INSTRUCTOR:

Arup completed his BSc in Microbiology and MSc in Biophysics from the University of Bombay and PhD from Roswell Park Cancer Institute under SUNY at Buffalo, NY. He did his MA in psychology from Annamalai University. Arup studied at the British Institute of Homeopathy and at the International Academy of Classical Homeopathy (George Vithoulkas). From 1992 until 1999, he was Director and the main spirit behind the Centre for Homeopathic Cure, Dombivili, near Mumbai (Bombay), India. He was involved in training and teaching homeopathy and now continues that passion in North America. Currently he lives in Buffalo, NY, USA and he teaches and practices classical homeopathy. He conducts regular seminars on live case talking, follow-up and case management with advanced practitioners. He is also a researcher at Roswell Park Comprehensive Cancer Center, Buffalo, NY.
