CLASS DESCRIPTION:

Homeopathy long term course is open to any individual committed and interested in learning the art and science of homeopathy that involves an understanding of the human microcosm, certain basic rules and laws of health, understanding what is dis-ease and how the cardinal principles of homeopathy is applied to bring about healing.

Detailed and hands on in-class approach is involved starting from first year and continuing until the end of study in year 3. Each year students are given a completion certificate when they attend at least 80% of the in-class hours. Tests, take home assignments are graded towards a Diploma at the end of the 3 years.

Additional training and education in human anatomy, physiology and pathology is highly recommended and individuals meeting these requirements are awarded the practitioner's diploma.

ABOUT THE INSTRUCTOR:

Arup completed his BSc in Microbiology and MSc in Biophysics from the University of Bombay and PhD from Roswell Park Cancer Institute under SUNY at Buffalo, NY. He did his MA in psychology from Annamalai University. Arup studied at the British Institute of Homeopathy and at the International Academy of Classical Homeopathy (George Vithoukias). From 1992 until 1999, he was Director and the main spirit behind the Centre for Homeopathic Cure, Dombivili, near Mumbai (Bombay), India. He was involved in training and teaching homeopathy and now continues that passion in North America. Currently he lives in Buffalo, NY, USA and he teaches and practices classical homeopathy. He conducts regular seminars on live case talking, follow-up and case management with advanced practitioners. He retired as a faculty member from Roswell Park Comprehensive Cancer Center. More details about Arup can be seen at www.homeopathichealers.com
